animal host-associated sea worm
animal host-associated rumen
animal host-associated animal feces
animal host-associated animal gut
animal host-associated aqueous humour
animal host-associated chyme
animal host-associated coral
animal host-associated animal manure
animal host-associated bodily fluid
animal host-associated sponge
animal host-associated beef
freshwater contaminated water
freshwater lake
freshwater drinking water reservoir
freshwater alkaline environment
freshwater freshwater biofilm
freshwater river
freshwater stream
freshwater hot spring
freshwater stream biofilm
groundwater-karst porous
groundwater mine
groundwater porous
groundwater subsurface saline
groundwater geyser
groundwater porous contaminated
human host-associated-human skin
human host-associated-human gut
human host-associated bone
human host-associated human associated biofilm
human host-associated lung
human host-associated human feces
human host-associated saliva
plant-associated-plant associated hypersaline water
plant-associated-plant associated
plant-associated wood fall
saline water marine biofilm
saline water river saline
saline water salt lake
saline water hydrothermal vent
saline water oceanic seawater
saline water alkaline salt lake
saline water estuarine seawater
saline water saline evaporation pond
saline water saline water biofilm
saline water anoxic seawater
saline water polar seawater
saline water hypersaline water
saline water coral reef biofilm
saline water coral reef seawater
saline water coastal seawater
sediment street sweepings
sediment anaerobic sediment
sediment coastal marine sediment
sediment desert sediment
sediment continental slope sediment
sediment mangrove sediment
sediment saline marsh sediment
sediment river sediment
sediment oil affected sediment
sediment lake sediment
soil tundra soil
soil compost
soil meadow soil
soil rhizosphere
soil grassland
soil desert soil
soil forest soil
soil contaminated soil
soil savanna soil
soil prairie
soil shrubland soil
soil pasture soil
soil permafrost
soil park soil
soil saline marsh
soil agricultural soil
soil peat soil
soil farm soil
soil garden soil
wastewater reclaimed water
wastewater wastewater treatment plant
wastewater reactor sludge
wastewater sewage
wastewater sludge
